

TEAM ACTIVITY OPTIONS

2010

PROGRAM OBJECTIVES:

- To provide a fun and interactive suite of activities for potential clients.
- To showcase Eco Beach Wilderness Retreat.
- Provide programs that will tie in with the environmental responsibilities of Eco Beach.

GENERAL

All activities will be designed to suit the needs and wants of your organisation & will cater for delegates of all ages & fitness levels.

Loose fitting, comfortable clothing is recommended with sandshoes and a hat.

Activities can be added, removed or modified from the above programs to create an appropriate mix for your company goals and budget.

Cancellation fees apply if the event is cancelled following the return of our standard confirmation email. These fees will vary depending on the notice given.

A wet weather back up will be designed to replace the chosen event, and this will – as much as possible – stick to the proposed agenda. Variations may take place in terms of location and the specific activities chosen.
