

**MEDIA RELEASE – 16<sup>th</sup> April 2010**

## **Eco Beach Wilderness Retreat launches Eco Sailing Cruises!**

Eco Beach Wilderness Retreat launches their Full Day Eco Sailing Cruises and Guest Transfers, beginning this Saturday, on the fully equipped, luxury 50' catamaran *'Windcheetah'*.

The luxury vessel with its large open decks is the perfect way to explore the azure waters of Roebuck Bay. During the 2-3 hour cruise guests can relax onboard the open decks spotting Turtles, Dolphins and Manta Rays along the way whilst enjoying the clear blue waters and soft breezes of the Indian Ocean.

From July to October guests may have the chance to experience the world's largest population of humpback Whales enroute. Humpback Whales are the fifth largest of the great whales and when in a playful mood, these whales may put on a spectacular show, breaching, rolling, slapping their pectoral fins and generally having a Whale of a time!

Once at Eco Beach Wilderness Retreat the experiences include guided and self guided nature walks, indigenous tours and cultural experiences with the traditional land owners, ocean, creek and beach fishing and bird watching. Enjoy the luxury and convenience of a resort, while having access to unsurpassed wilderness and cultural experiences.

Full Day Eco Sailing Cruise guests disembark for a relaxing lunch and a tour of the Retreat before their return cruise to Broome later in the day. The amazing Full Day Eco Sailing Cruise is only \$145 per person including cruise, lunch and resort tour.

For those wanting to spend overnight or longer at the amazing Eco Retreat, sailing cruise transfers to and from Eco Beach are only \$60 per person.

All cruises currently operate on Wednesday and Saturdays – services on other days may be available subject to minimum numbers. Private function and charter options are also available.
